

A man in a white shirt and tie stands with his arms raised, looking up at a blue sky filled with falling papers. The papers are scattered all around him, some in the foreground and some in the background, creating a sense of motion and abundance. The overall scene is bright and positive, suggesting a successful outcome or a new beginning.

Giving green a whole new meaning.

Your complete wholesale
virtual fax solution
from the nations
leading Wholesale
VoIP service provider.

MORE features MORE affordable WHY wait?

TeleFAX is a 100% turn-key virtual fax solution that is designed to help your customers maximize productivity and minimize the costs associated with traditional fax machines. Every day more businesses and consumers are turning to paperless, digital fax services and leaving the old clunky POTS fax machines behind. What this means for you is an opportunity to tap new revenue streams and reduce customer churn. No other digital fax service provider offers a true "wholesale" digital fax product...let alone one that is brandable, affordable, and easy to use.

So whether your customers are SOHO, SMB, or enterprise...teleFAX gives you the products you need to keep your customers happy and keep your business growing. Why wait? Visit www.telefax.com or call 888-898-4835 to learn more about how teleFAX can make money for you.
